## What's Happening?

As we are at the midpoint of the season, we have many games coming up that will have a big effect on postseason positioning, plus many teams are facing the realization that their postseason dreams are not achievable and looking to play the role of spoiler.

Over the past few weeks, we are averaging about 3 disqualifications of players per week. Make sure that disqualifications will show on video when you decide to enforce this on game night.

Majority of dq's are appealed by the school and then

reviewed by the office

## Needs:

When submitting Special Reports, please do not include 2 or 3 incidents that are reportable all in the same report. If you have 3 incidents that are Special Report worthy, then 3 Special Reports must be submitted (one for each incident).

Per Mr Ryan's message in the State Clinics, please treat Middle School games with your upmost professionalism. Are you providing an Introductory Card to the Head Coaches prior to the game? Observers may be asked to go to middle school games to view both official and coaches behavior. Just do it right please.

## Week 6 POE

### Communication with Coaches

### Eye Black (ALL Levels)

### Game

### Administration/Facilities

#### Question:

1<sup>st</sup> and 10 at A's 40 yard line. A12 drops back to pass, gets hit and fumbles. A70 recovers the fumble behind the LOS and tries to throw a forward pass, but gets hit and the ball is thrown backward where it hits the ground and B60 recovers. B60 runs 20 yards, fumbles the ball and A22 recovers at A's 15 yard line. What is the result of the play and when will both the game clock and play clock start?

#### Ruling:

1<sup>st</sup> and 10 for A at the 15 yard line. Game clock will start on the ready for play and the play clock will be set at 25 seconds.

### Week 6 Focus

As we are hitting the point of the season where frustration and postseason hopes are fading for some, we must stay on top of player behavior. Keep your head on a swivel, keep your ears open for inappropriate comments made towards the opponent, get to piles a little quicker, etc. Remember to focus on every play both mentally and physically. Don't take any plays off, and remember, every play is being watched by somebody.

Good luck this week!

Have Fun! Safe Travels!
