What's Happening?

Hard to believe we are entering the last week of the regular season already, Where did the season go? Stay on top of player behavior this week as some teams have nothing to lose and may want to go out showing themselves, so be on alert.

Postseason assignments will be made on Arbiter and will be assigned by the office on Sunday/Monday on a weekly basis prior to each Round's playoff games. Dates and times are picked by the lower seed during meetings on Sunday's over the next 3 weeks.

I want to thank everyone for their service as football officials for the 2022 season. I appreciate what everyone does for the game of football in WV.

Needs:

As we move towards 2023, we must turn our focus to the ongoing training that is needed on bringing in new officials into your local associations. Now that Refpreps is the training module, this module can be utilized year round for football officials training. So get out and talk to prospective officials during Winter and Spring sports and have them start taking the training module over the Winter. Individuals can start football training anytime during the year, to complete the 15 hour part of the requirement. Then they would only have to do the 5 hours with the local board and 10 on field hours prior to next football season.

Question: 3rd and 8 for A at the B'40 yard line. A11 drops back to pass. Wideout A80 is running his pass pattern, and B21 holds A80 at B's 35 yard line. A11 is sacked at A's 35 yard line where he is tackled with the ball in his possession. Where do we enforce the penalty from?

Ruling: Since the foul occurred during a running play (a pass was never thrown), the basic spot is the end of the run. Enforcement of 10 yards to A's 45 yard line where it will be 3rd & 23.

Week 11 Focus

Local Associations need to reach out to their 1st and 2nd year officials to review their needs and help them transition into their 2nd and 3rd years to keep them a part of your membership. Reach out to them to confirm that they are coming back for the 2023 season.

Focus every play this week and if there is to be a disqualification, make it big to where it will show on film, as playoffs begin next week.

Good luck this week!

Have Fun! Safe Travels!
