What's Happening?

I have had a lot of requests from officials statewide wanting to be added to the WVSSAC Hudl account so they would have access to their football games without having to go through their local associations to see them. Well, all emails that are on record will be added to WVSSAC Hudl account. So you asked, and we are going to make it happen.

Lack of tee shirt sightings looked much better of film this week. Let's stay on top of this so the players look like football players.

Needs:

Crews must communicate on the field when flags have been thrown to make sure the applications/options given on penalties is correct. Don't get in a hurry. It is encouraged for the crew to get together and communicate to share their rule knowledge to get this crucial part of our job correct. There is no excuse for crews of 5, 6, or 7 to misapply rules. We get paid to know the rules, so we must know them, and must apply them correctly. We must get better. Have you opened your Rules Book this year? What about the Officials Packet to know what is in there? It's our job.

Week 4 POE

FJ & SJ Positioning Inside the 10 Yard Line

Rules Application

Restricted Area Enforced

Question:

4th & 10 at K's 40 yard line. During the kick, R15 holds K80 at R's 30 yard line. The kick is downed at R's 25 yard line. What is the proper penalty enforcement?

Ruling:

This a PSK foul for R, with the basic spot being the end of the kick. Since the foul occurred in front of the end of the kick, the end of the kick is the enforcement spot. It will be R's ball 1st and 10 at their 15 yard line.

Week 4 Focus

With the new training module this year, we had 59 new officials who got their football license. We had 5 returning officials, giving us 64 new additions to our State roster. Now, we must make sure local associations are giving these new members games. Veterans, you must step back from Subvarsity and youth games and get these individuals on the field. We must do EVERYTHING we can to retain them. Are you as an assigner giving them every opportunity or do you feel threatened? Do The Right Thing for the future of the game.

Have Fun! Safe Travels!
